

WEEKLY PRAYER 3

Father, I acknowledge the plans you have ordained for me to achieve this week, the sovereign appointments to minister care to the needy and the imprisoned, prayer for the sick, food for the hungry, clothing to the naked poor. To lead those calling on the unknown God to Jesus for salvation. Father, pour your grace out upon me, fill me with your Holy Spirit, His love and power anointing me for service this week to those people you've assigned me, let them experience your love and power too in Jesus Name, thank you Father, I receive it now as done in Jesus Name, Amen.
